## Great Bicycle Lamp Sale.

In order to build our new store we are about to tear down the old building and we have a lot of things that must be sold as we have not got half the room in our temporary quarters that we need for our large stock. To start with we are going to offer a fine line of standard BICYCLE LAMPS. These are light things but they take up a good deal of room. Here is the list:

Chester Lamps.....	\$ .90 each
Atwood Swinging Lamps.....	1.00 "
Banner Lamps.....	2.00 "
M. & W. Lamps.....	2.00 "
Search Light Oil Lamps.....	3.50 "
Search Light Gas Lamps.....	4.50 "
Solar Gas Lamps.....	3.50 "

We are not overstocked on any of these so you will have to call early to get your pick. We have a lot of bike sundries which we are going to sell out at same low rates. Your chance to buy standard goods at cost will only last while our present stock lasts, call early.

When you wish to rent a bicycle remember that we rent COLUMBIA CHAINLESS wheels, the easiest and cleanest wheel on earth to ride.

### BORN.

PARKER—In this city, December 1st, to the wife of Robert Parker, Jr., a son.

Viewing the Dewey arch in New York from the north, one of the most prominent things in sight is the huge advertisement of one of Gotham's department stores, which looms up boldly in the background. Of the 50,000 views of the arch which would have been taken by professional and amateur photographers it is fair to assume that half, or 25,000, were snapped from the north; and each of these pictures necessarily contains the "ad" of the department store. "If this isn't downright clever and ingenious advertising," observed the New York Press, "there are no prophets in Gilgal."

Geographical statistics show that fifty-two volcanic islands have risen out of the sea since the beginning of the century. Nineteen of that number have since disappeared, and ten are now inhabited.

The Bulletin classifies its ads. Re sult—small advertisers get a square deal.
